

Varroa-mapping data form

Please complete this form in the blank boxes below and return it by email to varroa@scottishbeekeepers.org.uk by 31 July 2011 if at all possible.

If you have more than one apiary, please complete a form for each apiary.

If you do not have email access, please post it to: Kate Atchley, Anasmara, Acharacle, Argyll PH36 4JX.

Thank you for your help.

Name	Address	Postcode	Apiary postcode	Apiary 6-digit GPS if postcode unknown
No of colonies	* Monitoring method(s) used	Varroa present? Y/N	Notes/comment ?	

* 1. Mite drop 2. Drone forking 3. Icing sugar rolling: see article in May issue of *The Scottish Beekeeper* 4. SASA inspection of floor scrapings

The records we receive will be treated as confidential to those few people working on the project*. The details you provide will contribute to a revised and more detailed map of the distribution of *Varroa* which, when made public, will be based on a 10 Km-square grid. Individual apiaries will not be disclosed.

Please address queries to varroa@scottishbeekeepers.org.uk or telephone Kate Atchley 01967 431420.
